## Register to Find Out If You Are in Compliance With Required DOT & FMCSA Regulations

COVID-19 has forced many businesses to adapt to a new normal. As a result, the Federal Motor Carrier Safety Administration's Clearinghouse requirements have changed, and it's vitally important that your company is up to date on these new regulations in order to remain in compliance.

**When: July 28, 2020 10:00 AM  
Eastern Time (US & Canada)**

**This important FREE LIVE Zoom webinar will cover:**

- **Clearinghouse Regulations:**
  - Clearinghouse Overview of Changes
  - DOT Fleet Number Requirement (and multiple fleet numbers)
  - Required Clearinghouse Registrations
  - Required Clearinghouse Driver Registrations
  - Required Clearinghouse Reporting
  - COVID-19 Pandemic Drug Testing Quirks
  - Required Clearinghouse Queries: Types and How
  - Required Reporting of Positive Drug Tests into the Clearinghouse
  - SAP Programs Required by Clearinghouse
  - How NEFI and ARCPoint Can Help You Comply
  - NEFI Drug Testing Consortium Quarterly Requirements
- **Other New DOT Regulations**
  - DOT Changes for COVID-19 Response
  - New DOT Hours of Service Rule
  - HAZMAT Registration Fees & Late Registration Penalties
  - CDL & Medical Card Extensions
  - TSA Hazardous Materials Endorsement Extensions.
  - TWIC Requirements Review
  - Cross Border: Transport Canada – Electronic Logging Requirements
