

National Energy & Fuels Institute

Are You Benefiting from NEFI Benefits?

Creating a productive and healthy workplace has never been more important!

As a National Energy & Fuels Institute wholesale, retail, associate or HVAC-only member, you may qualify for exclusive discounts or preferred pricing on a number of valuable employee/employer programs, including our Employee Assistance Program (EAP).

ARCpoint Labs has been providing reliable, accurate, and confidential testing solutions for over 18 years. They offer tailored programs that provide our industry with the simplest, yet most complete, services.

NEFI members can trust ARCpoint Labs for:

- Random Testing & Test Management
- Drug & Alcohol Clearinghouse Support
- Medical Exams & Reviews
- Anger
- Financial Worries
- Anxiety
- Legal Matters

Enrollment is easy, and you can sign up at any time. [Visit the NEFI website](#) to register your company with the clearinghouse, fill out the drug & alcohol test request form, or request additional info. You can also email or call Emily Lawrence at NEFI to set up your company.

Join Us For Tomorrow's FREE Webinar!

**August 8, 2024
1:00 PM ET - 3:00 PM ET**

You are invited to join us for a free "Reasonable Suspicion" webinar!

Identifying & Responding to Workplace Impairment *A Reasonable Suspicion Supervisor Certification Training*

What you'll receive:

- 2-hour virtual training that meets FMCSA §382.603 requirements
- 60 minutes of alcohol education
- 60 minutes of controlled substances education
- How to safely and effectively confront an employee suspected of impairment
- Certificate of completion and other valuable handouts
- And so much more!

Guest Speaker:
Ryan West, MS, CEAP, SAP, CFI
Founder and President, Worksafe International

Ryan West is the founder and President of WorkSafe International and proud partner of ARCpoint Labs. Having collectively served as a drug and alcohol counselor, clinical evaluator, employee assistance professional, and workplace trainer and consultant for 17 years, Ryan fully understands the link between employee health and wellbeing and employee safety and performance.
