

In 1993 NEFI established a partnership with Coastline EAP to provide exceptional EAP services to all NEFI member companies and their employees. Coastline services are provided at a discounted rate to NEFI members. Once your company is enrolled in the Coastline benefit program, there are no additional cost for Coastline EAP services to your employees.

Coastline EAP is Easy to Use

Simply call and identify yourself as an employee or the family member of an employee. A consultant will take your call and listen to your concerns. Whether you have a question about services and resources or you are in the midst of a crisis, we welcome your call. You and your family members may use our services as often—and for as many different reasons—as needed.

Employee Guide

Employees and family members of NEFI member organizations can call **Coastline EAP** for confidential consultation or support anytime, day or night.

We all have times when we worry about our work, family or personal life. Sometimes our lives are more stressful than other times, and it's only natural that we may need someone to talk with now and then, or a referral to a reliable resource.
