Introducing ARCpoint Labs: NEFI's New Drug Testing and DOT Compliance Partner Offers Relief and Answers on FMCSA Clearinghouse.

The Deadlines for Your Business Might NOT Be as Urgent as You Think.

As the Main Street energy marketer's trusted full-service trade association, NEFI is proud to offer our members easy access to a wide range of benefit programs.

New for 2020: we are excited to introduce our latest benefit program partner, ARCpoint Labs.

As of January 1, [ARCpoint Labs](#) is now offering simple, efficient and DOT-compliant drug and alcohol testing and driver qualification services for all NEFI members. ARCpoint Labs has been providing reliable, accurate, and confidential testing solutions to federally regulated companies for over 18 years, and is able to provide NEFI members with a unique combination of value, savings and service.

They have tailored their program to provide our industry with **the simplest, yet most complete service to reduce the stress of DOT & FMCSA compliance.** NEFI members can trust ARCpoint Labs for:

- Random Testing & Test Management
- Drug & Alcohol Clearinghouse Support
- Medical Exams & Reviews
- Pre-Employment Screening & Background Checks
- [And More!](#)

As their first order of business, ARCpoint Labs will help NEFI and our members maintain compliance with the [FMCSA Drug & Alcohol Clearinghouse](#) regulations, which go into effect January 6, 2020.

While many have expressed concerns about the timing of these regulations, **the deadlines for your business might NOT be as urgent as you think**, and NEFI is working with our new affinity partner to minimize the impacts on our industry. As such, we are providing several new assets, which more fully explain the Clearinghouse, including exactly what is required and when.

Additionally, NEFI hosted two member-exclusive webinars with ARCpoint Labs, in which the company and its counsel covered all of the topics below. The webinars have been recorded so you can watch them at your convenience.

- An overview of ARCpoint Labs
- How to order drug tests and view results
- The random testing process
- How to contact ARCpoint for support
- FMCSA Clearinghouse regulations
- ARCpoint's Clearinghouse support offerings
- How to sign up for Clearinghouse support and other services

As longtime veterans of the heating fuels industry, we at NEFI understand that this is the busy season for your business. That is why we have selected for our DOT driver testing and compliance program a company that is prepared to make the often-arduous process of regulatory compliance as seamless as possible. **We encourage you to take advantage of the services ARCpoint Labs is offering our members at an affordable rate.** If you aren't already a NEFI member, we invite you to join us as we work tirelessly to protect your business and our industry, including some of its most valued assets -- licensed, qualified drivers.
