DRUG & ALCOHOL TESTING AND DRIVER QUALIFICATION SERVICES

## NEFI Drug & Alcohol Testing Partner Opens New Location in Worcester, MA

NEFI Benefits Programs make it easier for our members to run their companies, especially when times are tough and compliance penalties put added pressure on already struggling small businesses. Case in point: our DOT Drug & Alcohol Testing partner, [ARCpoint Labs](#), helps keep short-staffed heating fuel companies in compliance and helps keep their delivery drivers on the road.

**NEFI is excited to announce that ARCpoint Labs is opening a second location at 324 Grove Street in Worcester, MA. The new testing lab is expected to open June 1, 2022.** Along with their existing lab at 333 Turnpike Road, Suite 103 in Southborough, this new location will help make ARCpoint Labs' drug and alcohol testing and driver qualification services even more readily available to NEFI members and their employees.

**Additionally, earlier this month ARCpoint Labs of Southborough-Framingham received the SBA Minority Owned Business of the Year Award.** A true small-business success story, this ARCpoint Labs franchise was started by Gauri Bhalakia in 2015 with support from an SBA loan. In [announcing the award](#), SBA recognized ARCpoint Labs for rising up to meet a tremendous growth in demand for laboratory testing services.

"This has been possible due to our customers, business partners and the outstanding commitment of our employees," said Gauri in a letter to NEFI. "We are so very grateful for your continued support through these years."

NEFI is honored to partner with great businesses like ARCpoint Labs and proud to help provide their industry-tailored services to our members at special discount rates. Please join us in congratulating Gauri and thanking her for all that she does on behalf of our membership.

If you need assistance, please email ARCpoint at [arcsupport.ma@arcpointlabs.com](mailto:arcsupport.ma@arcpointlabs.com) or contact NEFI at:
